**PROCEEDS WILL
BENEFIT HOMECROFT, INC.**

Since 1994 more than \$260,000 has been raised through these golf outings. The greatest portion of these funds has been donated to Homecroft, Inc. This nonprofit corporation purchases homes throughout the county so individuals with disabilities may live as independently as possible with whom-ever and wherever they choose. Presently Homecroft, Inc. owns 26 properties in Beavercreek, Fairborn, Jamestown and Xenia. Support staff is present in each home to provide appropriate levels of support for individuals residing in these properties.

Housing continues to be a major concern to the Board. Currently there are more than 60 individuals over the age of 40 who are still residing at home with their aging parents. Because of this, requests for alternative housing continue to increase. Homecroft, Inc. will, with its funds, make necessary purchases and perform needed maintenance while reserving the rest in a fund for additional acquisitions, or for use in emergencies, to help avoid a serious alternative housing situation in the future.

The Board would like to thank golf outing sponsors and participants for their continued support in ensuring the success of the residential program for individuals with developmental disabilities.

More than 70% of all golf revenues, collected through sponsors, players and donations, has benefitted individuals with disabilities. Thank you for your continued support.
